

CRYSTAL CHALLENGE

Do you remember the TV show the Crystal Maze? We have taken inspiration from the popular game show and made our own version
The Crystal Challenge

Much like the original we have designed physical, skill and mental challenges which are fun, inventive and engaging. We require the team to work together to complete the tasks winning 'crystals' based on their performance.

The crystal challenge will require team participation, collaboration, communication, leadership and ultimately problem solving abilities to accomplish the end game of collecting crystals!

Physical, Skill, and Mental. Have you got what it takes!?

Ideal for groups of mixed age, sex and ability.

£35 per person

Approximately 2 to 3 hours of game play dependant on group sizes.
