Requirements

- Minimum commitment to the allocated amount shifts throughout the Fright Night season
- All workers are required to pay a deposit of £50 to participate. This deposit will be fully refunded on completion of your shifts. **If you fail to do your allocated shifts you may lose your deposit.** We take this deposit as a simple insurance, to enable to us to hire staff who are reliable and will not let us down during our busy Halloween season. Over the years, we have unfortunately been let down at the last minute, with some staff not turning up for shifts. This puts tremendous pressure on the rest of the staff at the event and could mean our customers may not get the full experience that we proudly offer, so we implemented this policy for potential staff to honour their commitment to our event.
